

WESTON  
COLLEGE

# CAREERS ADVICE AND GUIDANCE

**Weston College is committed to ensuring that high quality, timely, accurate and impartial Careers Education, Information Advice and Guidance (CEIAG) is provided to support learners make informed decisions about their next steps**

As a Weston College learner your entitlement includes:

- A stable and structured careers programme, including a comprehensive tutorial programme for full-time learners and access to impartial and highly qualified Careers Advisors for 121 support and guidance.
- The Brighter Futures Hub is online resource hub designed to support learners in developing the various wider skills and behaviours they will need to gain alongside their main qualification. Modules cover a range of topics to help learners develop their wider skills and knowledge about careers, employability skills and individual development, and life outside of college.
- As a Microsoft College, all learners are given FREE premium access to LinkedIn Learning, which can help learners discover and develop business, technology-related, and creative skills, through expert led courses.
- Access to high quality information about future study options and labour market opportunities, as well as the opportunity to take careers and skills assessments.
- Access to a comprehensive purpose-built online careers library by our own staff that provides learners with the opportunity to explore a wide range of resources and information that will support their career management and progression.
- A wide range of opportunities to engage providers of higher education, apprenticeships, and further training. Whilst benefitting from our extensive employer network and Career Excellence Hubs' employer partners and developing industry knowledge and behaviours, as well developing employability skills as part of your curriculum programme.
- Experiences of the workplace through industry placements, work experience or live project briefs.
