Advanced Learner Loan Guide

- Your guide to registering and applying for the online Advanced Learner Loan

What is an Advanced Learner Loan?

- You can apply for an Advanced Learner Loan to help with the costs of a course at a college or training provider in England.
- Loan Eligibility does not depend on your income and there are no credit checks.

How much you get depends on:

- the type of course
- your course fees
- the maximum loan available for your course

It only covers your course fees, not your living costs. The minimum loan you can get is £300 and its paid directly to your college or training provider.

Repayments

- You'll have to start repaying your loan when your income is over a certain amount (the 'threshold' amount), if you leave your course early you may need to repay this sooner.
- You'll be charged interest from the day you get the first payment.
- You can choose to make extra repayments towards your loan. These are in addition to the repayments you must make when your income is over the threshold amount and are not compulsory.

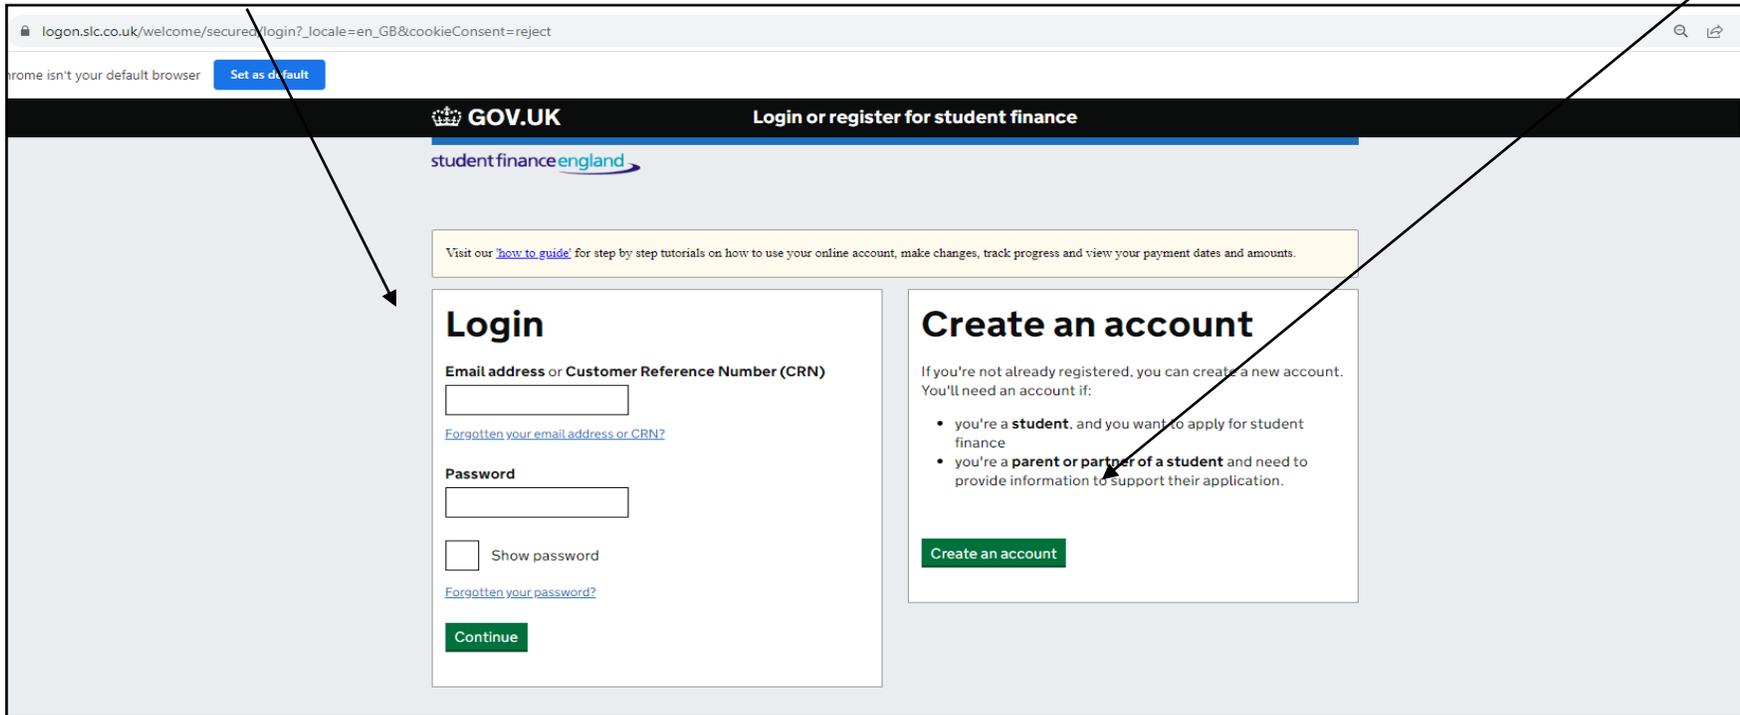

Further information regarding this will be found on: [Advanced Learner Loan: Overview - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/topics/advanced-learner-loans)
