INSPIRATION

WE BELIEVE THIS AND THAT'S ALL.

A Hidden Life

[Brother William Branham, 1955-10-06A](#)

19 (...) There is no summit to God's power. We move on and on and on; it's the unlimited resources of God has never been tapped yet, blessings and powers that we know nothing about. It's never been even revealed to Archangels, is laying just ahead for His church that will believe. "For eye has not seen, ear has not heard, neither has it entered the hearts of men, what God has for them in store that love Him." So let's move up and claim our rights. As God opens the gates and swings out the welcome mat, let's move on up into deeper depths and never colonize ourselves, to organize ourselves, and to get into a place where this is—"We believe this and that's all." Let's believe this plus how much more we can hear from God. I think that ought to be the motive of every man and woman that loves the Lord Jesus, to receive all that you can from the hand of His bountiful mercies. That's my heart."

12 In my searching of the Scripture, for quite a while, I have found seven great junctions in God's Word. And seven is God's complete number. We...He—He completes in seven. He worked six days, and, the seventh, rested. The world exists in its reign over the earth here, the Church labors for six thousands years, the seventh is the Millennium. And all these mathematics (and) of the Bible are perfect.
