Easy design

Daily

Comfort

Easy to clean. A clean and sparkling ceramic surface with one wipe.

WATER SAVING

Using just 4.5 litres for the full flush and 3 litres for the half flush, water usage is reduced by a third.

EASY TO CLEAN

The water closets have no rims to harbour germs, making cleaning quick, easy and more hygienic.

SILENT FLUSH

Rimless technology allows a faster and more silent flush.

EFFICIENT DESIGN

Design and efficiency can be successfully combined. Water flows vertically and horizontally, before flushing the entire inner surface of the bowl, without splashing.
