2nd Controll Council Issue, Overprinted Diagonally 'Berlin' in Black

Designed by Alexander Barthel with AlbumEasy

Berlin

1949

2nd Controll Council Issue, Overprinted Diagonally 'Berlin' in Red

Specialized collectors differentiate between the rotary and flat plate printing of the black, red, and green overprinted stamps of the two Control Council issues in Berlin. These can only be identified by sheet margin pieces. Some denominations exist in both variants, while others are found in only one of the printing variants.
