Einige Hinweise zu diesem Albentext

Dieser Albentext beinhaltet die Briefmarken, die auf den Färöer-Inseln zwischen 1919 und 2023 erschienen sind: 1919 in Form einer Behelfsausgabe der Dänischen Post, 1940/1941 als Ausgaben der damaligen Britischen Besatzung während des zweiten Weltkriegs und dann ab 1975 als Ausgaben der selbständigen Post der Färöer-Inseln.

Berücksichtigt sind in chronologischer Reihenfolge alle Dauermarken, Sondermarken und Automatenmarken. Gleiches gilt für die Briefmarkenblocks und Kleinbögen sowie die Einzelmarken hieraus. Nicht enthalten sind die Markenheftchenblätter sowie die Zusammendrucke aus Briefmarkenblocks, Kleinbögen und Markenheftchen. Seit 2009 erscheinen zahlreiche Briefmarken sowohl in gezähnter Form (aus Bögen oder Blocks) als auch in gestanzter Form (selbstklebend, immer aus Markenheftchen). Beide Varianten wurden in den Albentext aufgenommen.

Ergänzt wird der Albentext um die Weihnachtsspenden-Marken (Yul-Marken), auch wenn diese keine Frankaturkraft haben. (Die Yul-Markenbögen der Jahre 1976 bis 1980 erfordern allerdings Albenseiten, die breiter als A4 sind.)

Für die einzelnen Automatenmarken sind jeweils drei Felder vorgesehen, was mittels AlbumEasy an die Erfordernisse der individuellen Sammlungsvorlieben angepasst werden kann.

Die Illustrationen der Briefmarken sind in schwarz-weiß gehalten und gegenüber den Originalmarken deutlich verkleinert, damit sie nicht von den tatsächlich vorhandenen Briefmarken der Sammlung ablenken. Diese Einstellungen können ebenfalls leicht geändert werden.

Die Seiten wurden für das Papierformat A4 entworfen. Anpassungen des Formates (z. B. A3 oder Letter) können ebenfalls leicht vorgenommen werde. Dies kann jedoch Modifizierungen des Seitenlayouts erforderlich machen.

Dieser Albentext ist kostenfrei und ausschließlich für die private Nutzung und Modifizierung bestimmt. Das Copyright verbleibt beim Verfasser. Eine kommerzielle Nutzung ist auch bei Modifizierung unzulässig.

Der Albentext wurde sorgfältig erarbeitet. Für gleichwohl noch vorhandene Fehler wird um Nachsicht gebeten.
