Historic Sites and Objects, Face Value in Pfennig and €, Perforated

imperforate at the top

imperforate at the bottom

For the first time at the end of 2000, the face value of the official stamps issued in Germany (all definitives and some commemoratives) were denominated both in Pfennig (Deutsche Mark) and in Euro. In 2001, this was the case throughout. Since 2002 the face value is denominated in Euro.
