Federal Republic of Germany

2000/2001

Historic Sites and Objects, Face Value in Pfennig and €, Perforated

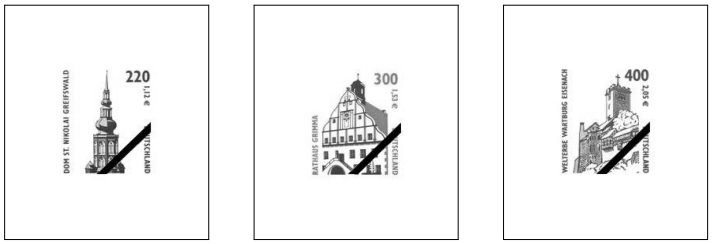

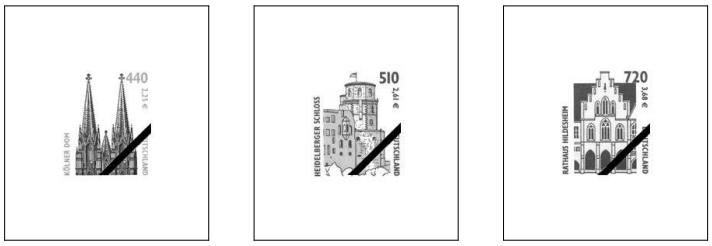

imperforate at the top

imperforate at the bottom

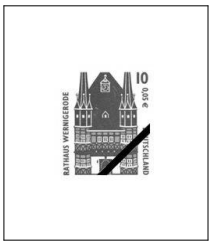

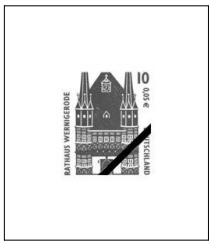

For the first time at the end of 2000, the face value of the official stamps issued in Germany (all definitives and some commemoratives) were denominated both in Pfennig (Deutsche Mark) and in Euro. In 2001, this was the case throughout. Since 2002 the face value is denominated in Euro.
