Hyderabad

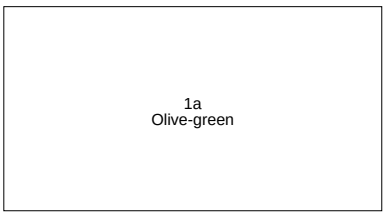

Hyderabad State, also known as Hyderabad Deccan, was an Indian princely state located in the south-central region of India with its capital at the city of Hyderabad.
It is now divided into Telangana state, Hyderabad-Karnataka region of Karnataka and Marathwada region of Maharashtra.
The state was ruled until 1948 by a hereditary Nizam who was initially a Mughal governor of the Deccan before becoming independent.
Hyderabad gradually became the first princely state to come under British paramountcy signing a subsidiary alliance agreement.
