Notes

As I am a member of the American Topical Association, this album closely follows their checklist for golf stamp.

Complete thru 2021. 84 pages Apx. 300 stamps

If there were perforated and imperforate stamp I used only the perforated issue. Same for gumed and self adhesive

The triangle and diamond stamps have no images in them. I don't believe Album Easy has that capability yet. Hopefully this may change in newer versions. I could have put the pictures in a square box but I didn't like the look. A triangle box for a triangle stamp

Due to conditions regarding the enormous amount of stamps issued only for sale to collectors and not used as postage in the issuing countries starting with year 2010 the following countries are not included in this album; Burundi,Comores, Congo Rep., Guinea Bissau, Rep. of Guinea, Ivory Coast, Mali, Maldives, Mozambique,Niger, Saint Thomas, Solomon Islands, Togo and Uganda

If you find an error in a stamp box size please email me at nowaknow@yahoo.com with the page number country and year and the size of the stamp in milimeters. Horizontal side first

Please let me know what you think of the album at nowaknow@yahoo.com With thanks and hope you enjoy the album Joe Nowak
