Kahului Railroad Stamps

1895

The Kahului Railroad was in operation on the island of Maui from 1879 to 1959. The railroad was decommissioned in 1966. Built on narrow gauge (3ft) track; it ran for 15 miles from Wailuku to Kuiaha, Maui. The railroads' intial purpose was to transport the sugar to local ports along the line. In 1894, the American Bank Note Co. was commissioned to produce stamps to show payment of freight charges on packages being carried by the railroad. The stamps, printed by lithography with numeral designs, were delivered late in 1894 and went into use in January 1895. There were six stamps in all, 5¢, 6¢, 15¢, 18¢, 50¢, and $1.
