

Cribbage

Setting Up

1. Players cut the deck and the lower card is the first dealer.
2. Dealing alternates following each hand.
3. Dealer gives six cards to each player using a one for you/one for me pattern.
4. Remaining cards are placed between the players.
5. Players choose two of their cards to give to the Crib, which becomes an extra hand for the dealer.
6. The non-dealer cuts the pack and the dealer turns up the top card of the bottom section. This is called the Turn Up card.
