Netaş srike showed what if worker will union and workers will solidarity, they earn victory. There fore, for noting what agression of Netaş's Boss. Every where struggle of right uncomfortable to boss. This reality is same in Turkey. Today workers struggle is growting in Turkey, this realized by workers. They own our trade union and theirs rights. Governments and bosses don't impaired this relation..

Therefore bosses as at Netaş they agression workers and trade unions representatives.

Netaş's Boss attaced Netaş workers and trade union Otomobil-iş. The boss sacked 307 workers. We accept that this attacked to Otomobil-iş too.

This agression doesn't seperate to Turkey Worker class. Today we call all trade union and Turkey and world worker-class. "we must protest this actions. We must to protest telegram and, we must send protest letter, to Netaş Boss.

Otomobil-iş waiting to your this solidarity. our succesful tied union of trade union collective action.

We as otomobil-iş, belive that, you will conducted sensitive.

For protest massages,
Mr.L.A. COX

THE STRIKE OF KALE KİLİT AND KALE VİDA WORKERS

For 35 years Kale Kilit and Kale Vida Factory (produce lock and screw) is steadily growth. Indirectly, the boss of Kale Kilit have wealthyed but workers purchasing power, economic and democratic rights continued down.

Kale Kilit Workers for a long time haven't got trade union After then, last year, all Kale Kilit workers additioned to Otomobil-iş. IN this factory seniority indemnity is 3 or 4 years. In this factory labour turnover is very high. And in this work place hour wage avarege backed from avarege branch of metall industry 175 TL.

There are 600 workers in Kale Kilit. Theirs wage avarege is 280 TL. (34 cent) They have only two premium. The services means are lorries.

-Foods haven't got healty and clearly causes

-Workers haven't got terms rest.

-Worker goes to toulet by whstle

our half of mumber (in this factory) are women Therefore, this is a despotism. There are fascist application.

Last period was collective labour contract period. our member was follow this carefully. The boss don't accept our demand. And our workers said "LET'S GO STRIKE" and Strike was begining 12 May 1987.

The bourgeois made a policy what aggression and despotism. bourgeois will go on most wealthy, go on international level, but this period invoice cut to workers-Class.

We known if we want resistance and they had victory. We said that, for a beautiful world, for a free world for children, and for bread and democracy. We let's go end of our struggle. All strikers are our. We call to all trade union and democracy power come on solidarity !...

Dear Colleagues,

Netaş boss attacked to our trade-union Otomobil-İş and glorious
Netaş Workers In last month 7 workers in Ankara Netaş and 300 worker
in İstanbul Netaş as total 307 workers sacked from Netaş Factory.

Netaş Strike is most important strike after 12 September 1980.
It was be a symbol in Turkey. Company unions and other said that
"noting anything", "can't achieved" but our Netaş Workers done and
achieved on this lagel prossedure.

Netaş Strike showed that, bourgeois shaved self law and bourge
did strike breaker. Netaş Strike showed that how leap over to bad
condition. This strike showed that if, workers will be unions, they
can achieved

Therefore, Netaş Boss'es after strike finished firsth, conscio
workers and our trade union representative expelling thus, bourgeois
want intimidation to our trade union.

The boss said that "our production down" or "we don't take
transfer well time" but these are lies.

Netaş's boss have in a panic. They don't confirm to legal pros
dure therefore, they are mastication theirselves laws.

Netaş Workers have defended theirs union and solidarity until n
Now, they will to win whole difficulties same with struggle an
solidarity

We as Otomobil-İş Trade Union will follow this manners and we
are giving against struggle to it.

Victory was ours and it will be to our on tomorrow too.

President

Otomobil-İş Trade Union
İlhan DALKILIÇ
