Dear Colleagues,

I have received your kind letter. I am very glad to inform you that I will be in Praha on the determined date.

I hope you will be able to arrange an interpreter for me during my visit.

Considering the long procedure that will be necessary here to arrange my visit, I would like to ask you to send me the tickets and the concerned materials as early as possible.

I would like to thank you for your close interest and for your invitation.

Please accept my best regards,

Yours faithfully,

Metin Denizmen
