

This image shows a document page that has been severely redacted with black ink. The original text is completely obscured, leaving only faint, illegible traces of the original content. There are several large rectangular areas of redaction, as well as some smaller, scattered marks. The paper itself appears aged and slightly yellowed.

**HİÇBİR PARTİYE OY VERME
İŞ, EKMEK, TOPLAK İZGÜPLÜĞÜ!**

the next day we were to go to
the beach, so I got up early and
had a swim. I was swimming in
the ocean when I saw a shark
swim by. I was scared but I
didn't want to make a noise
so I just stayed still. The shark
swam away and I swam back to
the beach. I was so scared but I
was also excited. I think it was
a great day.

1867-1868

Other good qualities that I notice in myself are the ability to make up my mind and stick to it, the ability to work hard, and the ability to persevere. I also have a good sense of humor and I am a good listener.

1860-1861
