The entry fee is as detailed on the online entry system and will be due in full at the date of submission of the entry application.

The closing date for entries is the date shown on the application form.

Conditions of Entry

Risk

Participants enter the Event entirely at their own risk and confirm that they are of sufficient mental and physical health and fitness to participate and compete. Neither the club nor its officers or members shall be liable to participants for any loss or injury, or damage to property, or any other loss of any kind suffered by a participant in connection with the Event. This limitation shall not apply to death or personal injury caused deliberately or through negligence by the Club or its officers or members.

Fitness and preparation

It is recommended that the Participant prepares and trains for the Event. The Participant is advised to consult with a medical professional prior to entering the Event if they have not exercised for some time. If the Participant has a medical condition it must be detailed by completing the relevant section of the Event application at the time of entry and on the reverse of the race number worn on race day.

The Participant confirms that, as far as they are aware, they are physically able to compete in the Event and, to the extent that it may be necessary, they have sought and relied upon any medical advice before the date of the Event. If any medical or physical condition arises before the Event which is likely to affect their ability to compete in the Event, the Participant is obliged to withdraw from the Event.

Medical Treatment

The Club shall use its reasonable endeavours to ensure that appropriate First Aid assistance will be available for the duration of the Event. There will be clearly signed First Aid points. Volunteers and Marshals in attendance at the race are not fully medically trained and may not

be able to give medical assistance other than requesting an ambulance or paramedic in the event that medical assistance is required.

The Participant consents to any medical treatment being administered by official medically-qualified personnel or any data being shared with the NHS, hospitals, doctors, nurses, paramedics or anyone else charged with the management of your medical care in the event of a serious injury or hospitalisation during the Event. The club may prevent the participant from taking part in the Event (either at the start or during the Event) if the club, the Race Director, a marshal or medical representative considers that the Participant should not participate in the Event for health and/or medical reasons.

Entry fees

Entry fees are invested in the cost of running the event and these costs arise throughout the period of preparation for the Event. Entries are only transferable by agreement with and subject to any conditions set by the Race Director.

Filming and photography

The Participant consents to the Event being filmed, recorded or exploited by means of television, film, video or any other broadcast or media format and agrees to the use and reproduction of his/her name, likeness, appearance and photograph. All such commercial rights in relation to the same belong entirely to the club and the Participant has no proprietary rights in relation to any film, photograph or other such recorded media.

The club may, acting in its sole discretion, procure the use of official race photographers to capture a photograph of every Participant, however, the Organiser is unable to offer any guarantee in this regard. Any photographs may be purchased online following the Event.

If the Participant does not wish for their image be used in this manner, they should contact the club via email at the following address: larkfieldac@gmail.com

Personal items

Personal items and items of clothing may be deposited prior to the race in the designated baggage areas. However, the club does not accept any responsibility or liability for the safekeeping or the storage of those items which are stored and deposited entirely at the risk of the Participant.

Headphones

The use of personal listening devices such as earphones and headphones, including bone conducting headphones, is decided on an event specific basis and will be communicated within the booking information. Current rules of England Athletics and conditions of the Race Licence will apply and will be contained in race information. Participants found to be breaching these rules will be disqualified from the Event.

Race numbers and finish time

The Club will use its reasonable endeavours to provide the Participant with a finish time but will not be responsible for any anomaly or technical malfunction in relation to this time.

All Participants must clearly display the race number allocated to them on their front during the Event.

Pets

Participants are not permitted to bring pets or other animals onto the Event course. Running with dogs is not permitted.

Events beyond control

If, as a result of any matter beyond the reasonable control of the Club, the Club deems in its sole discretion that it is necessary to cancel or change the route and/or length of the Event, the Club shall be entitled to do so.

If the race is cancelled due to circumstances beyond our control, we will act reasonably and will consider rearrangement of the event if this is viable for the club but we will probably not be able to offer refunds and will not be liable to do so.

The total liability of the Club and its officers and members, whether in contract, tort, breach of statutory duty or otherwise in respect of any losses arising out of or in connection with the Event shall be limited to a sum equal to the total entry fee paid by the Participant to the Club. Nothing in this paragraph or elsewhere in these terms and conditions shall limit or exclude the liability of the Club or its officers or members in respect of death or personal injury resulting from its negligence, fraud or fraudulent misrepresentation, or any other liability that cannot be excluded or limited by law.

Kent Championships and Grand Prix

In addition to the above terms and conditions, the current applicable rules of the Kent County Athletics Association will apply to entrants who elect to participate in the Kent Short Course Road Championship and/or Grand Prix competition.
