

PV_Controller-Plate_v1.0 datasheet

1) Mechanical dimensions

2) Materials : PCB FR4-Standard TG 135-140

2 Layers

Thickness 1.6mm

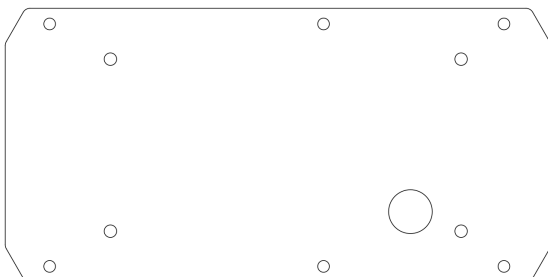

PCB Color : White

Silkscreen : black

Surface Finish : HASL

Copper heigh : 1 OZ

3) Footprint

The PCB PV_controller-plate components is a mechanical only par for PCBa protection and indication.

4) Application and installation method

The PCB PV_controller-plate is manually clip on the PCBa PV_Controller through 6 spacer.
